

TOWN OF KILL DEVIL HILLS
Land Where Flight Began

NOTICE OF BID

- A. Bids for a water supply elevated tank rehabilitation project, consisting of re-coating and structural repairs, and related work, known collectively as the **Eighth Street Elevated Tank – Rehabilitation** project, for the Town of Kill Devil Hills, North Carolina, will be received by the Town Clerk of the Town of Kill Devil Hills, North Carolina in the Administration Building, 102 Town Hall Drive, off Colington Road, until **Thursday, August 31, 2017 at 1:00 p.m.**, at which time they will be publicly opened and read aloud. The project consists generally of recoating the interior and exterior of the tank along with replacement of the following: 14 sway rods, 8 spider rods, tank interior ladder, exterior ladder from catwalk to top of tank, catwalk ladder supports, ladder fall protection cable systems, emergency lighting lamps, catwalk patching, catwalk hand rail braces, and other miscellaneous tank repairs.
- B. Complete Contract Documents may be obtained at the Department of Public Services, 107 Town Hall Drive, off Colington Road, or by calling (252) 480-4080. Contract Documents also may be obtained from the offices of American Engineering Associates, P. A., 448 Viking Drive, Suite 170, Virginia Beach, VA 23452, or by calling (757) 468-6800.
- C. The purpose of this Notice of Bid is to make this Project known to the contracting community; it is not one of the “Contract Documents” as enumerated in the General Conditions. In the event of any discrepancy between the provisions in this Notice of Bid and the provisions of any of the Contract Documents, the provisions of the Contract Document shall take precedence.
