A VIRTUAL TRASH ATTACK!

To stay as safe as possible, the Town of Kill Devil Hills is conducting its **FIRST EVER “VIRTUAL TRASH ATTACK!”** 2021 community clean up event, and we need your help! During the month of April, take a moment to clean up our KDH community – around your neighborhood, on the beach, in one of our Town parks, wherever you want!

Take a photo with your garbage bag of litter (and anyone who helped you) and email it to info@kdhnc.com with your name, the names of people helping out, and a general location of where you did your part to make Kill Devil Hills a little brighter (and free of litter)! We will share images on the **TRASH ATTACK!** Facebook page <https://www.facebook.com/trashattackkdh> throughout April.

Thank you for always making a difference in Kill Devil Hills!
