MEMORANDUM

April 28, 2021

TO: Mayor and Board of Commissioners

FROM: Debora P. Díaz, Town Manager 

REF: Public Forum

1. Public Forum (Attached PF-1A)

The Board of Commissioners encourages public input as it considers policies, ordinances, guide documents, and other issues that may directly impact the Town of Kill Devil Hills and its residents, property owners, and visitors. As a part of that commitment, the Board established two public forums annually to hear about issues important to our citizens.

Citizens were invited to attend this public forum and also given the opportunity to request specific items to be included with this agenda item. Any submitted public forum topics will be provided to the Board for consideration and discussion.

Commissioner Ingram submitted the following discussion items: trash collection days and revisiting the possibility of a second day and/or an education campaign on reducing waste, what shouldn't be put in cans, proper can placement, etc.
